

Boys with Bigger Hearts

The purpose of this form is to make it easy to get the information needed to host a screening of Boys with Bigger Hearts. We are grateful for the support we have received for this film. The film is not yet released to the general public and the purpose of these individual screenings is to give the Hunter Syndrome community a platform to raise awareness and funds towards a cure. A screening event can be big or small. It can be at a theater with ticket sales and a big screen or an intimate evening at your home.

To host a screening please fill out the questions on this form and email it to info@boyswithbiggerhearts.org. We will get in touch with you shortly to arrange the details.

When will you be hosting the screening?

What town or city will you be hosting in?

What kind of venue will you be hosting in? (Theater, Home, etc.) How many attendees do you expect?

Do you want to have a Q & A after the film? If so, how would you like to facilitate the Q & A? (Skype with the director or families in the film, have one or all of them attend in person? If attending in person will it be possible to cover the cost of travel?)

On what format will you be showing the film? (DVD, Blu Ray, HD Video File, Vimeo Link)

Will you be selling tickets for the screening? _____

Would you like to take donations for BWBH and Project Alive at the screening? _____

Would you like to have T - Shirts available for sale at the screening? _____

Please ask any questions you might have for us on the lines below.
